

# HULIKKAL

## HE - B6

### Electric System

|                |                                   |
|----------------|-----------------------------------|
| System voltage | 48V                               |
| AC or DC       | AC/DC                             |
| Motor          | 5KW motor                         |
| Battery        | 6V x 8Nos<br>High Quality Battery |
| Controller     | Curtis                            |

### Technical Information

|  |  |
|--|--|
| Passenger Number                           | 6  |
| Max. Speed                                 | 30   |
| Minimum Turning Radius (m)                 | 4  |
| Range per charging                         | >90 (fully-loaded vehicle on a flat-level road at a fixed speed of 20km/h) |
| Max. braking distance at a speed of 20km/h | <=4m   |
| Max. Climbing Capacity (loaded)            | 20%  |
| Max. Loading Capacity                      | 500kgs   |

### Technical Information

|                      |                  |
|----------------------|------------------|
| Max. Towing Capacity | 1000kgs          |
| Overall Dimensions   | 3880x1480x1900mm |
| Cargo Box Dimensions | N/A              |

### Other Main Specifications

|                           |   |
|---------------------------|---|
| Body material             | Polypropylene   |
| Lighting system           | Included  |
| CD and radio              | Included  |
| Braking System            | 4 wheel hydraulic brake                               |
| Front axle and suspension | Independent suspension                                |
| Rear axle and suspension  | Integral rear axle with hydraulic shock absorber tube |
| Drive Mode                | Stepless  |
| Steering System           | Rack and pinion drive                                 |
| Wheel and tire            | Aluminum wheel 12", Tire 155R12,8PR                   |
| Charger                   | High Frequency smart charger                          |

## OUTSTANDING SPECIFICATIONS AND EXCEPTIONAL WARRANTY

Based on advanced German engineering and design all Hulikkal models feature the industry's leading U.S.A. and European brand electrical and mechanical components are backed by an exceptional warranty.

1 Year on Battery ☺

2 Years on Controller & Charger ☺

5 Years on Motor & Axil ☺

☺ Against any Manufacturing Defects

### OTHER COLOURS BY SPECIAL ORDER. \*Metallic

(Charges may apply for colors)
